

CraigCat®

we put the fun back in boating

Accessories

Trailer

Easily launch and dock your CraigCat with this custom drive-on EZ-Loader Trailer. Well balanced for easy manoeuvrability and constructed from galvanized steel the trailer also features low maintenance wheel bearings, carpeted bunks and Teflon pads.

Boat Cover

The CraigCat Boat Cover is specially designed for use with your CraigCat when storing for the winter period. Made of a super light weight material which offers excellent strength, water repellence, UV resistance and dirt repellent, it covers the CraigCat, bimini and engine.

Deluxe Seats

Designed for superior comfort over the standard bucket seats, these stylish Deluxe Seats are made from High Quality Marine Vinyl. Both seats feature embroidered CraigCat logo and are highly padded for superior comfort.

Anchor

The CraigCat Inshore Anchor comes complete with folding anchor, 7.6 metres of high quality rope, adjustable float, SS hook and padded storage bag. The CraigCat Inshore Anchor is only designed for light work.

Rod Holder

Enjoy fishing? The Rod Holder is ideal for holding up to four rods & reels. Aluminium frame and polyethylene holders, the Rod Holder is easily removable.

Dog Seat

Fits large and small dogs. Padded seat with rails. Easily slides in place of the passenger seat.

Storage Wing

Extra storage for tackle box, trolling motor battery, cooler, etc. Fits in place of the passenger seat. Made from re-enforced polyethylene material for maximum durability.
